

RECERTIFICATION REQUIREMENTS

For a Certified Assistant to maintain his/her certification, an annual total of **20 recertification credits** (10 credits if certified between August 1, 2022-December 31, 2022). **Dual certification obtained after January 1 2020, 30 recertification credits are required- 20 clinical and 10 x-ray - obtained during 2022** must be submitted. Please submit qualifying material accumulated during 2022, this would include any 2022 Journal questionnaires answered, and any seminars or conferences attended during 2022. The hours for each meeting are based on the contact hours offered in the meetings. Certificate(s) given to you at the meetings will reflect hours you can use.

Credit values for certification renewal are acquired as a result of the Assistants activities related to the following:

Attendance at: National Meeting*

Midwest Conference*

Regional Meeting*

Goldfarb Meeting*

State Meeting*

Local Meeting*

*All meetings are subject to approval of contact hours based on the specific meeting program; certification of attendance is required.
